Athletic Club To Wind Up League Here On Monday

Manogue Upsets School In Conference Contest By 64 to 43

The Truckee Athletic Club basketball team traveled to Fallon last Thursday night where they were defeated 25 to 38 by the Capucci-Weaver team.

A good fourth quarter gave Fallon the edge needed to get past the determined AC five. Jack White led the locals in scoring with 10 but Sexton of the winners outpointed him by two. Al Wakefield, Don Jackson and John Rablin of the American Legion team were unable to make the trip.

In Monday night's opener, the 20-30 Club picked up a forfeit win as the Lions again failed to show. The 20-30 playing with a madeup team of local players won by a 52 to 44 score. Al Schell led in scoring with 23 points.

In the nightcap, the American Legion hit from all angles and pressed the Donner Club on defense to whip the barmen, 75 to 45. The Legion was paced by Wakefield who tanked 31 during the evening. Ray Dixon hit 13 for the losers.

Tonight the Truckee AC will again travel to Fallon where they will take part in the fifth Regional Town Team Tournament.

In the 7:15 go Monday night, the St. Louis Cafe will tangle with the Tel-Cos. Following will be the most important game of the season as the 20-30 takes on the American Legion for the City League championship. A large turnout is expected as this game marks the conclusion of the City League play for the season.

The first annual Truckee Athletic Club tournament will start next Thursday.

The Standings

Club—	W.	L.	Pct.
20-30 Club	8	1	.888
American Legion	8	1	.888
St. Louis Cafe	4	5	.444
Donner Club	4	6	.400
TelCos	2	7	.222
Lions Club	2	8	.200

The Tahoe-Truckee Wolverines, improving with each game as the 1955 season draws to a close, dropped a fine tilt to the Manogue Miners Saturday night, 43 to 64. It was a good team effort for the Wolverines, as Wilson, Stuart, Rasmussen, Spinning and Vieu all hit well from the floor and the free throw line.

Manogue jumped to an early 12 to 6 lead in the first period and moved ahead 30 to 18 at halftime. The Wolverines had their best offensive quarter in the third as the count moved to 48 to 32 in favor of the home team. In the final period the Miners went ahead easily as they used their fast-break offensive effectively. Stan Rasmussen, game captain for the locals, scored 12 points.

In the preliminary game, the Manogue Minor Miners took an easy 51 to 26 win over the Tahoe-Truckee Cubs. High scorer for the game was Maguire, a fine Manogue forward, who accounted for 24 points. The Cubs, playing a somewhat uninspired game, were never able to find the range from the floor. Ken Osburn, freshman forward for the Cubs, turned in a good hustling ball game.

Friday night will find the Wolverine Varsity and the girls' team traveling to Smith Valley for a doubleheader. There will be no Junior Varsity game, as Smith Valley has had to drop their J.V. squad for lack of players.

Saturday night a large crowd is expected at the Truckee gym when the Wolverines and Cubs play host to their intersectional rivals from Loyalton. It will be the final game for the Cubs, who now stand at six wins and 10 losses for the season.

The varsity will have at least one more game as they meet Yerington on March 9 in the first round of the Western Nevada Conference Zone Tournament at the University of Nevada gym. Game time for this contest is 7:30 p.m.

Free Throw Tournament Nearing Conclusion Here

The third annual Free-Throw Tournament at the Tahoe-Truckee High School has moved into the final round, with the following three finalists still in the running: Aaron Thomas, who shot 89 and 83 out of the 100 in the first two rounds; Mike Vieu with 83 and 81; and Cecil Craddock with 73 and 79.

The finals will be run off this week with the winner being announced and presented with the trophy at Saturday night's game with Loyalton. Miss Karen Decker, the 1955 basketball queen, will make the presentation at a special ceremony during halftime of the varsity game.

Mr. and Mrs. Clyde Moeckley, formerly of Truckee, have moved from Stockton to Beckwourth.

District Elections Slated For May By School, Utility

Two district elections of more than passing interest are scheduled for May, according to officials notices of election published by the Truckee Public Utility District and the Tahoe-Truckee Unified School District.

Two directors for the utility district will be named at the polls on May 3. The terms of President E. L. Loynd and H. T. Langille will expire and while neither has made any definite statement as to whether or not they will seek reelection. three prospective candidates have indicated they will seek the two vacancies.

They are Harold Welch, president of the Truckee Chamber of Commerce and manager of the St. Louis Cafe, Jack Neugebauer, owner of the Donner Theater, and Rex Reid, local building contractor. Petions for all three have been secured but none had been filed yesterday. C. R. Heller is the only hold-over member of the board.

One vacancy will occur on the board of trustees at the school election slated for May 20. The term of Thomas Lucas of Kings Beach ends, and while no announcement has been made, it is expected that the Brockway Theater owner and active community leader will seek reelection.

The utility district election will be held at a place to be announced later but the election for the school will be held in each of the five elementary school houses in the district between 1 and 7 p.m

Red Cross Drive Slated To Start Here Soon; Election Is Scheduled

The annual fund drive for the American Red Cross will get underway here Monday, March 14. It was scheduled for this week but because of the Boy Scout drive, it was decided to delay the opening.

Mrs. Rex Thomas is chairman for the drive and Mrs. Dave Rose will occupy a table in the Bank of America and Mrs. Fosten Wilson will hold a similar position at the postoffice for those wishing to make contributions there. A house to house canvass will be made later.

At the meeting last week, Mrs. Walter Loynd reported that 125 children were enrolled in last year's swimming classes, Mrs. Thomas reported five families were given needed assistance and Mrs. Wilson said 85 home service cases were aided.

Officers of the local chapter will be named at a meeting March 7 and the nominating committee comprises Walter Hensen, Mrs. Thomas and Mrs. Wilson. Everyone is invited to attend the meeting.

Local Court Fines Are Transmitted To Treasury

Justice of the Peace Fosten Wilson sent a total of $2117 to the Nevada County Treasury during the short month of February.

Of the amount, $1991 were traffic fines, $103 drivers tax and $23 in civil fees.

Truckee Girl, 15, Has Had Only 3 Birthdates

Rosalee Kaspian, who is 15 years old has only celebrated the event three times on her birth date, February 29, the last time in the leap year of 1952.

Added to the fact that the date comes only once every four years, a party planned by her parents, Mr. and Mrs. Paul Kaspian for February 28 was complicated by the weekend storm and school holiday declared for Monday, guests invited from Lake Tahoe lacking customary transportation to Truckee.

NEW MANAGERS

Mr. and Mrs. Theodore Hawkins and two children have arrived from Seattle, Wash., Hawkins to assume management of the Tourist Liquor Store. Mr. and Mrs. H. Bassler, former managers, have returned to the bay district.

James Sherritt of Soda Springs has been a Tahoe Forest Hospital patient this week.

Storm Brings 35 Inches Of Snow To Truckee Area

Road Closed Temporarily As High Winds Cause Poor Visibility

Just when it appeared that winter was over and February threatened to go down in the records as one of the dryest in history, a storm roared in Saturday and Sunday to deposit four feet of new snow on Donner Summit and brought 35 inches to Truckee.

The storm was the most intense of the year and the snow, whipped by strong winds brought an order to close Highway 40 over Donner at 2:30 Saturday afternoon. The main transcontinental route was not reopened until Monday morning and a short time later even skid chains were not required.

A number of skiers took refuge in lodges and hotels to wait out the storm, but train service was kept near the schedule throughout the blow.

Cars were able to proceed west out of the Donner Summit area most of the day Sunday, but many elected to remain at the lodges where "snowed-in" parties were enjoyed.

Parking offered a bit of a problem but the division of highways crews were prompt in removing the snow and presently the area is again back to normal.

The U. S. Forest Service reported a total of 40 inches of snow on the ground here with 2.56 inches of precipitation from the storm This is still far below normal for this time of the year. Low temperature for the week was a cold 5 below Monday with a high of 42 on Tuesday.

SKI FIELD DAY FOR SCHOOL MARCH 9

Ski field days will mark the conclusion of another successful Tahoe-Truckee Unified School District recreational ski program. The days set for the events are Tuesday and Wednesday, March 8-9.

On Tuesday, March 8, the elementary school skiers will be transported to Squaw Valley for a day of fun in the snow, and it will include a slalom race for each class of skiers.

On Wednesday, March 9, all three classes of skiers from the high school will enjoy a similar program, also at Squaw Valley. All parents are cordially invited to witness these snow events.

Conference Students Attend Woodland Meet

Last Saturday, 14 students from the high school went to Oakland for the annual Student Leaders Conference. Tahoe-Truckee School gave a panel on extracurricular activities for smaller schools. The panel was well received and the students felt that their efforts were worth while.

Those who went to Woodland were caught by the storm and spent Saturday and Sunday trying to get back to this area. These unexpected "holidays" in Auburn provided the group with some very humorous moments.

Next Wednesday the high school will hold a ski field day at Squaw Valley. There will be races and fun for everyone who has enrolled in the ski program.

CLUB DINNER MEETING

Past presidents of the Wvethia Club will be hostesses at a dinner meeting to be held in Capitol Hall tomorrow evening, March 4, to convene at 7:30 p.m. Members are asked to take guests to the affair

DAUGHTER FOR SMITHS

Mr. and Mrs. Hugh Smith welcomed their second daughter born at the Tahoe Forest Hospital last evening. Jill Lindl admitted to a weight of 5 pounds and 7½ ounces upon arrival. Dr. Allen Sklar was in attendance.

BOY FOR BECHDOLTS

The sixth child and third son of Mr. and Mrs. Carl Bechdolt, Jr., of Tahoe City, arrived at the Tahoe Forest Hospital early Tuesday, March 1. Patrick Kevin weighed in at 7 pounds, 10 ounces. Dr. George Hahn was the attending physician.

SUNBEAMS

By WALTER M. BARRETT

We wonder if we are not overlooking one of the most important organizations in the life of our communities—the Parents and Teachers Association. The PTA provides that important gap between the home and the school. It gives a proper place for constructive criticism and tends to bring about an understanding between the teacher and the parent which is vastly necessary if the student is to receive the training for which he is sent to school. Yet, we understand, the very existence of the PTA is threatened with lack of interest. As a result differences between the school and the home arise without solution. Teachers blame the parents, the parents blame the teachers and student is caught between the two in a muddle of confusion. If every student in our schools was represented at the PTA meetings by one or both of his parents, we like to think of the benefits which would result. We are spending thousands of dollars on our schools and should be getting the maximum results in education achievements but without that close contact—provided only through an understanding between parent and teacher and reached by way of the PTA—a large portion of this expenditure is undoubtedly wasted The action of your PTA has a terrific influence on the schools, but only if there is concerted action Four or five earnest parents cannot accomplish the task. It requires a united front and we believe that we are overlooking an important duty if we allow our PTA to become dormant because of lack of interest. Find out the next meeting date of your PTA and be there, let yourself be heard and see what it means to both your schools and your homes.

SCHOOL OFFICIALS DISCUSS BUILDING

Gordon Stafford, Sacramento architect, met with members of the governing board of the Tahoe Truckee Unified School District last week to discuss informally the possibility of constructing new units for the schools of the district.

The architect was asked to design plans for a proposed new Truckee elementary school plant and on a utility or all-purpose room as an addition to the Kings Beach School.

It is also proposed, in the long range plan, to add to the present shop buildings to provide additional classrooms for the high school, but no official action was taken The discussion also embraced a proposed auditorium for the high school but nothing aside from the discussion was done on that proposal, some members feeling that the time is not ripe for such a building.

TAHOE BOAT WILL HAVE SHOW BOOTH

N. R. Mayfield and Fred Main, owners of the Tahoe Boat Company at Tahoe City, will take turns overseeing their booth at the National Sportsmen's Show in the San Francisco Civic Auditorium, March 4 through 13. The Tahoe firm will display the newest model boats by Cris-Craft which they will display at their plant at Tahoe City this spring.

INSURANCE AGENCY

Fosten W. Wilson has been selected as local agent for the State Farm Insurance Companies of Bloomington, Ill. He suceeds the late Frank Titus who held the agency for the company for many years priors to his death last year.

RECRUITER TO VISIT

Technical Sergeant Barry of the U. S. Airforce recruiting service will be in Truckee at the postoffice between 1 and 3 p.m. March 11 to answer questions and accept applications for enlistments.

Changes Made In Hunting, Fishing Seasons In Region

Week Added To Hunting Season; Fishing To Start Earlier

Hunters in this district will enjoy a week longer deer hunting season this year as a result of action taken by the state fish and game commission meeting in San Francisco last week.

After some discussion, pro and con, the commission set the deer hunting season in this area from September 24 to October 30. Inyo and Mono counties, at their own request, were given a four weeks season ending October 23.

The commission also voted to open Lake Tahoe to year around fishing, keeping the same limit of five trout or salmon.

Chumming is banned in all waters of this district.

The pheasant season was extended a week and the season this year will be from November 19 to December 4. The limit remains at 10 male birds or nine males and one hen.

The either-sex deer hunt at the close of the 1955 hunting season was refused.

Local sportsmen expressed themselves as pleased with the changes made by the commission particularly with the new trout fishing saeson which will open throughout the district, except on posted streams, on May 14 and close October 31.

This latter regulation gives fishermen in California and Nevada a uniform opening.

TWO FINED TOTAL OF $589 IN COURT

Two men appeared before Judge Fosten Wilson Wednesday morning to be fined a total of $589 on multiple charges, Clarence B. Miller was fined $250 for drunk driving, $15 for being on the wrong side of the road and an added $10 fine for impeding traffic plus $14 drivers tax.

LeRoy F. Snow of San Francisco apeared before Judge Wilson on February 28, pleaded not guilty. demanding a jury trial and reappeared on March 2. He changed his plea to guilty on the charges of drunk driving, driving on the wrong side of the road, failure to yield right of way to approaching cars and speeding. For these infractions Snow paid a total of $300, including the $15 drivers tax.

LOCAL OLYMPIC HOPEFUL INJURED

The United States lost another Olympic ski team prospect Friday when John Robinson, 17-year-old Tahoe City skier, suffered a double fracture of one leg while skiing in competition at Aspen, Colo.

Robinson, who planned to enter the Olympics tryouts later this month in New Hampshire, fell at the eighth gate of the 60-gate Roch Cup giant slalom. He was a member of the Sugar Bowl Ski team and has been flown to Reno for treatment.

Babette Haueisen of Norden claimed the women's class A title in the Aspen meet in the good time of 1:26.8.

GUY RAY SOUTER ARRIVES

Guy Ray were chosen for the given names of the boy born to Mr. and Mrs. James Souter on March 1 in Tahoe Forest Hospital Guy's arrival weight was a husky 9 pounds, 5 ounces. Dr. Ben King was the attending physician.

RUMMAGE SALE

The W.S.C.S. will conduct a rummage sale in the basement of the Methodist Church on Wednesday and Thursday, March 16 and 17. Mrs. Eugene Risden may be contacted by calling 122 by those who have any suitable contribution and the articles will be picked up prior to the sale.

DAUGHTER FOR GOICOAS

A second daughter was welcomed by Mr. and Mrs. Mike Goicoa on Saturday, February 26 in Tahoe Forest Hospital.

Victoria Marie weighed six pounds, 11 ounces on arrival. Dr. George Hahn was the attending physician.

Stage Is Set For Winter Carnival Here Saturday

Tilly Fairclough of the Palo Alto Ski Club, will preside as the Bay Area Ski Federation queen at the annual winter sports carnival to be held at the Veterans' Memorial Hall here Saturday night.

Among the notables scheduled on the program are Marsha Hunt and her writer husband, Robert Presnell and two Hollywood actors, Bob Patten and Warren Stevens.

De witt Auld, chairman of the event, will introduce Charlie Dondero, who will be master of ceremonies. Each club in the federation will present a skit and dancing will be enjoyed. Five people, including three from Truckee, Hal Welch, president of the Chamber of Commerce, Robert Leamon, American Legion commander and one other to be named here, will judge the skits.

Miss Fairclough will present the cup to the winning club.

Sunday, the federation will hold its annual ski meet at Donner Ski Ranch on Donner Summit.

The public is invited to the affair where a small charge is made.

BOY SCOUT DRIVE BREAKFAST WILL BE HELD ON FRIDAY

The breakfast slated for Monday which was to have marked the opening of the annual drive for funds for the Boy Scouts was called off because of the storm, but will be held Friday morning at 8 o'clock at Goodfellows Coffee Shop.

Captains have been advised by Chairman E. V. O'Rrourke to have their teams on hand early since the first complete team will be given free breakfasts by Manager Reg Smart.

More Interest Urged In PTA As Officers Elected At Meeting

The Tahoe-Truckee High School Parents and Teachers Association are planning to increase the attendance of parents and all others interested in the welfare of young people in the community in the coming year which will start with a spaghetti dinner in the high school cafeteria on Thursday evening, March 10, beginning at 7 p.m. A nominal charge will be made for adults and students.

Following the dinner, Mrs. George Kenyon will be elected and installed as president for the new year by Mrs. Woodward of Auburn. The office of first vice president wil be filled from the floor, Conrad Briner is second vice president, also program chairman, Mrs. Norman Williams of Kings Beach will be secretary and Mrs. Jerry Little also of Kings Beach, treasurer of the organization.

Mrs. Little is chairman for the spaghetti dinner arrangements assisted by Mrs. Steve Port and Mrs Williams from Kings Beach and Mesdames R. K. Madge, Hugh Smith, George Kenyon of Truckee.

Hunting Films Slated For Sportsmen's Meet

A two-hour film taken by Chet Piazzo of Reno during his recent hunt in the Klondike will feature the meeting of the Truckee Outdoor Sportsmen at Capitol Hall tonight starting at 7:30 p.m. Everyone interested is invited to attend and no charge will be made. Charles Osburn, president of the organization, will preside at the brief business session.

Attends Meeting

C. Edmunds, manager of the Truckee Public Utility District, last week attended a meeting of the California Municipal Utilities Association in Sacramento where among other things, the important water issues of the state, including the Washoe Project, were discussed.

Edmunds said he had been assured by Congressman Clair Engle that no action on the Washoe Project would be taken until the wishes of the people of California have been thoroughly aired.

One Killed, Others Injured In Auto Crashes Locally

Speed, Ice Are Blamed For Series Of Accidents During Week

A series of vehicle accidents in this district during the past week cost the life of one man and seriously injured others, the California Highway Patrol reported.

Robert A. Schaeffer, 20, Martinez, was killed and Miss Lorraine True, 20, Berkeley, was critically injured when the car driven by Schaeffer hit a snow bank and then went out of control and ran into the path of one driven by Mrs. Lloyd A. David, 48, Reno, near Cisco Thursday night.

Schaeffer and Miss True were en route to Reno to be married. officers learned. Miss True is in the Tahoe Forest Hospital. Mrs David and her daughter, Frances, 11, were taken to the hospital at Auburn.

Airmen Hurt

Airman First Class Donald Eugene Gross, 23, and Edward Bickel, 23, both of Stead Airforce Base, were taken to the Tahoe Forest Hospital by Truckee Ambulance Friday morning after the car driven by Gross got out of control near Floriston and ran across the road into the path of a tank truck driven by James E. Betty, 34, Sparks.

Patrolman Carroll Maynard said Gross apparently fell asleep at the wheel. The driver has a broken left arm and Bickel's face was badly crushed. The impact was so great that a front wheel of the truck was ripped off.

Tanker Wrecked

A Western Hiways tank truck and trailer wrecked just west of Truckee Saturday morning when the driver, Robert Elway Walker of North Highlands, said the trailer wheels dropped off the pavement, causing him to lose control. The trailer plowed into the McIver field, upsetting the load of diesel fuel and the truck careened up the hill on the opposite side of the highway. Walker was cited for driving without due caution.

Two Injured

Liberto Perrira, and his wife, Sybel, were taken to the Tahoe Forest Hospital for treatment after their car was struck by one driven by Charles E. McCoy of Sacramento nearr Norden Friday.

Patrolman Roy Stallard said Perrira's car skidded cross ways of the highway and the driver and his wife got out to put on chains The McCoy car skidded into it, knocking the vehicle against Mr. and Mrs. Perrira. McCoy was cited for speeding and Perrira for illegal parking.

Cochran Hurt

Bert Cochran, former resident of Kings Beach, and Joyce Thompson, both of Reno, were seriously injured at 9 o'clock this morning when the car in which they were riding skidded and went end over end at Mystic. Both were taken to the hospital here by the Truckee ambulance.

Patrolman Roy Stallard and T. F. Sheehan are investigating.

SPELLING BEE UNDER WAY IN SCHOOLS

The annual Central Valley spelling bee, conducted under the sponsorship of the Sacramento Bee and Station KFBK, was being held this week in the various schools of the Tahoe Truckee District.

Best spellers were to have been chosen from the schools yesterday and the leading speller for the district will be selected in an elimination to be held tomorrow at the high school at 9:30 a.m. Conrad Briner, vice principal at the high school, will conduct the contest.

The winner of the contest tomorrow will represent the local district at a county-wide championship meeting to be held on or before March 26, exact date to be announced later.

Two Are Inducted At Meeting Of Lions Club

Harold Welch, president of the Truckee Chamber of Commerce, was guest speaker at the meeting of the Lions Club last night, telling of the plans for the local group during the coming year.

Dr. Ben King, local physician, and Larry Larrivee of the Bank of America staff, were inducted as new members. Guests included Rex Reid, Lauren Russell and Dan Hesse. Earl Stice presided and the program chairman was Floyd Carnell.

Tax Advisor Will Be Here Monday, Mar. 7

Robert C. Kirkwood, chairman of the Franchise Tax Board, announced a state income tax examiner will be stationed at the Truckee Hotel, Truckee, Monday March 7, to assist taxpayers with their state income tax returns.

NEWS NOTES FROM TAHOE

By Ethel Joslin Vernon
Box 636, Tahoe City.
Telephone Tahoe 62

Our beautiful spring-like Tahoe weather was cut short at the beginning of the past week when the worst storm of the entire winter sneaked up on this region, as the old saying goes—"right out of a clear sky." Only the sky didn't stay clear very long. On Friday, without the usual strong winds, the snowfall started, and the snow fell steadily all night, growing heavier on Saturday and continuing through Saturday night to stack up two feet of fresh snow. Early Sunday morning the blizzard winds began to blow and drifts soon formed across all the roads, making it difficult to get around either by car or on foot. Throughout Sunday the highway from Tahoe City to Truckee remained open to slow and cautious travel, and the private Squaw Valley plows kept the road from the river highway to Squaw Lodge in good condition.

However, on Sunday night the Tahoe-Truckee highway was reported in very uncertain condition, and the Squaw Valley road was considered fast becoming impassable, with no let-up of the blizzard in sight at that time.

Early Monday morning the skies cleared and barometers rose, indicating approaching good weather once more. Schools of the Unified District were ordered closed for Monday, February 28.

On Saturday night in the midst of the blizzard, 20 guests gathered at the Lake Forest home of Mr. and Mrs. Donald Grinstead, where Mrs. Jane Grinstead was hostess at the celebration of her own and two other birthday anniversaries. Co-hostesses with her were Billie Hamilton of Carnelian Bay and Violet Pomin of Tahoe City. Mrs. Hamilton's birthdate is February 26, Mrs. Grinstead's on the 27th and Mrs. Pomin's the 28th.

The evening hours were spent at indoor games and various social amusement, at 1 a.m. Sunday a birthday buffet breakfast was served and gifts opened. Guests, besides hosts and honorees, included the following: From out of town were Mrs. Marilyn (Dr. Clark) Burnham of Piedmont, and Glen Coberly of Roseville; Mr. and Mrs. Wm. Bechdolt, Mr. and Mrs. Leonard Bury, Mr. and Mrs. Giannini, Mr. and Mrs. Don Snyder, Mr. and Mrs. Vern Bartell, Mr. and Mrs. Jay Shontz, Mr. and Mrs. J. E. Broyles, Mr. and Mrs. Kenneth Marvin, and Mr. and Mrs. Robert Pomin.

Mrs. Mazie Carnell and Mrs. Patricia Vanni were joint hostesses to sixteen invited guests at a pink-and-blue shower party, on the evening of February 19, held at the Floyd Carnell home (The Willows) on the bend of the river. The occasion honored Mrs. Carl Bechdolt, Jr., of the Tahoe Park locality, who received many beautiful and useful gifts. The early evening hours were occupied with card games, followed by the opening of gifts. Later refreshments were served to the following Mesdames: R. Stewart, Beccy Shontz, Mary Anne Conners, Bernie Bechdolt, Barbara Spitsen, Yvonne Bechdolt, Lenore Bartell, Violet Pomin, Bertha Tonini, Allie Spaulding Jean Henry, Robbie Moore, Arlene Dunne, Blanche Donaldson. Beulah Carnell and Miss Christine Bechdolt.

One interesting item that just missed the deadline on last week's column, was the visit of our young neighbor, Miss Carol Wilson of Lake Forest, which she made at home with her parents, Mr. and Mrs. Ivan Wilson, from the Sacramento Junior College where Carol is a top-ranking student this winter. She is spending her spare time throughout the term there as secretary for the KCRA Radio Station. And so, after the holiday weekend at home she had to hurry back on Monday and go to work. While here she attended the Tahoe-Truckee High School's Saturday ball game against Stuart Indian School. Carol's brother, Douglas, was the only sophomore on the Tahoe-Truckee team, and he got 13 of the 59 points.

Father Brennan of Truckee drove through the blizzard on Sunday morning to Tahoe City, and made it here in time to hold eight o'clock mass. The Catholic Church was completely snowed in, so the services were held in the comfortable lobby of Tahoe Inn. There was a capacity attendance.

One of our February birthdate Tahoeites was cheated out of a birthday again this year, as she was born in a leap-year on February 29th—fifty some years ago. She is our good neighbor, Annie Soll, who is at present a resident of Tahoe Pines. She has lived more than 40 years at Tahoe, and up to now has had only enough birthdays to bring her into the teen age group.

The Women's Club of Tahoe plan to hold their next monthly meeting at the Pfeifer House on the Truckee River, with Vice President Irene LePier presiding. President Alma Guth is still enjoying an extended vacation tour down Mexico way. The meeting will be held today.

Douglas Ross, manager of the Tahoe Biltmore at the North End, who wintered in southern California, is reported back at the lake resort and planning on big business beginning with the early spring season.

The Challenge Ski meet, scheduled for Squaw Valley for Sunday, February 27, had to be postponed on account of the weekend storm. The ski club plans to hold it next Sunday, providing the storm is over by then and the expected several feet of snow can be packed properly. The competition was to have been held between the Reno Ski Club and the Squaw Valley-Lake Tahoe Club with 10 men and six girls participating.

Mr. and Mrs. Henry Alrich and two young sons, Hanko and Georgie, drove up in the middle of the week from their new ranch "Walk-in-Neigh" near Lincoln. They have been doing considerable building and remodeling about the ranch and felt they needed a day or two of relaxation in the mountains. They were temporarily marooned here following the storm while they enjoyed the ski sports at Granlibakken. Being old-time Tahoeites, they didn't mind much being marooned.

Out at Idlewild on the lakeshore Ernie Pomin, long-time Tahoe resident, entertained as house guests last week his step-son and wife, Mr. and Mrs. Ed Irvine of Sacramento. The Irvines left for home just at the storms' beginning.

Mr. and Mrs. Glenn Miller of this city left on Friday enroute for Sacramento on a combined business and pleasure trip. They expected to return Sunday evening, but probably were delayed by the storm.

Mrs. Betty Starratt and young daughters, Anne and Sallie, returned to their home here Thursday. They had spent several days very enjoyably at the home of Mrs. Starratt's parents, Mr. and Mrs. Richard Lee of Lincoln.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Saw Mae Burroughs walking around on crutches a few days ago and told me he had been laid up for a couple of weeks with pinched sciatic nerve, very painful night and day, but as usual wisecracking about it. He says Thelma is a real scientific nurse, doesn't grumble at her as she tries to untangle his nerves.

You all know Ed Starr. Alice Sorensen tells me he has just come through a very serious operation, but is now believed to be out of danger. He is now at Vallejo. Alice also tells me that our friend, Andy, is still coming along satisfactorily, and is very hopeful that things will turn out wonderful. We hope so, too, Andy.

Saw another former resident of Tahoe Vista, in fact two, Mr. and Mrs. Walter Fremier who owned the Sportsman's Port there. There is a possibility they may come back here to live. They are presently living at Los Gatos and he is in the real estate business.

The Council of North Tahoe Organizations held a meeting at the school house, Kings Beach, on Friday for the purpose of electing officers. The following were nominated and elected: President, Clarke Powell; vice president, Kay Wing; Robert Moore, secretary-treasurer: directors, Otis Wing, Rube Welch, and Walter Mandeville. The night of installation will be made known later.

Although it is a little while ago, I cannot help but offer congratulations to the men of the fire control, in fact all the able bodied men of the community who took part in the search for the body of the officer that lost his life in Lake Tahoe. Nearly all that night boats were to be seen searching out on the cold waters, and with a cold wind blowing it was a wonder others weren't sick. It was these men that found the boat, also the body, so once again we say thanks for a job well done.

Who do you think came back to the lake last week? Can't guess? Well, none other than Larry and Mrs. Sheridan and their two children, two cute cherubs if there ever was any. They had been in Fresno in a service station but after living at Kings Beach just couldn't stand it down there, so, they are up for good. Glad to welcome them back, too. Oh, yes, they ran the Village Corner restaurant for quite a while.

Walter Bailey of the Tahoe Vista Garage, has been in bed with an attack of pneumonia. Last reports he is coming along very well, but it will take a time before he is as energetic as he usually is. Hurry and get well, Walt.

Saw Tom and Mrs. James a few days ago. They own the James Lakeside resort in Tahoe Vista.

Well, the weatherman was very generous with that snow he had been storing up for us, it was just what we had been hoping for, and would have been nice only for the wind which blew drifts a few feet high. I left my car out last night and now I can just see the shape of it. The sport fans are really in their seventh heaven, and the buses have certainly slowed down to a crawl. Good, huh?

Nikkie Ann Wing, the new president of the M.Y.F. of the Community Methodist Church, Kings Beach, certainly wishes to be in good time in reporting a box social, to be held on March 20. So we shall remind you again before that date.

Mrs. Myrtle B. Johnson of Bakersfield is staying with the A. E. Abbotts for about a week, and just loves the storm, can you imagine that?

The ladies hat party held last week had a wonderful turnout, it was held at Crystal Bay Club and there was some of the cutest hats. The prettiest hat was worn by Unidel Crawford, "Jubilee Trail"; the most original by Alice Sorensen, "House Is Not a Home," and the funniest by Patricia Potts, "Tale of Two Cities." The old officers were Sophie Levra, president; vice president, Peg Mandeville; secretary, Camey Althof; treasurer, Ruth Lavery; and the new officers are Kay Felte, president; Nina Sorensen, vice president; Marguerete Ashton, secretary; and Ruth Lavery, treasurer. Those taking parts in skits was Elrose Knudson, Marguerete Ashton, Camy Althof, Mae Critchley, Peg Mandeville and Kay Felte.

"Crusade for World Order," was the theme at the service of the Methodist Church last Sunday morning, and the sermon was "The Meaning of Disarment." There was quite a congregation considering the weather. Mrs. Covher played the organ which is at the church on approval. It was really beautiful, we are very hopeful that it will be allowed to remain. Of course it is up to all of us to say the word yes, and it will be ours.

We never laughed so much in all our born days, as when Gene Howard, came to our house to pick my wife and me up to take us to his house for duck dinner. Of all things a beautiful blizzard blowing and we parked up on the back of his open truck hanging on for dear life, and the truck all over the road. The roughest ride we ever had, but it was worth it. Ducks Unlimited, they were, and were they good, in fact the whole party was real duckey.

Well, the students that left for a conference in Woodland Saturday last, had the surprise of their lives when they had to stay in Auburn over Saturday and Sunday nights because of the closed road between Baxter's and Donner Gate, those from this community included Loma Sorensen, Joellyn Ashton, Karen Decker, Janice Mandeville and lucky Barney Gilmore. What fun.

Monday morning beautifully bright and cool 5 degrees below zero lots of snow on the ground and brilliant sunshine above. Schools in Truckee and Lake Tahoe are closed, just so the kids can enjoy the snow, I think.

Yes, he's getting to be a regular old man now. Chris Beavers of Tahoe City, had a birthday party last week, and I just can't believe it, he is 6 years old, and his mother and dad (shame on them) are already looking for a job that he can handle. Butch says he will retire one of these days, so be prepared is my motto. Happy birthday, Chris.

When I went into the Tahoe Food Center today, both Roy and Mrs. Woodhull said "Why didn't you tell us before about the Sierra Sun, we sure have missed something all this time." That's good. When you are through with yours give it to someone that doesn't get it and that way I'll be getting lots of new subscriptions. Call your order in to me at Liberty 6-2213 or to the Sierra Sun, Truckee.

THREE FEET OF SNOW AT TAHOE

TAHOE CITY—Thirty-six inches of new snow fell at Tahoe City during the weekend storm, according to Art Frodenberg, cooperative observer at the lake. The temperature Monday dipped to a new low for the season with a zero.

With five gates open, the lake level Monday stood at 6226.3 feet.

Tractor manufacturers sold about 23 per cent of their production to foreign countries in 1952.

REFUSE RAISE

The U. S. Court of Appeals has ordered the Federal Power Commission to dismiss a rate increase by the Pacific Gas and Electric Company for electricity sold to the Sierra Pacific Power Company, or reconsider a case to determine whether a previous rate was unreasonable.

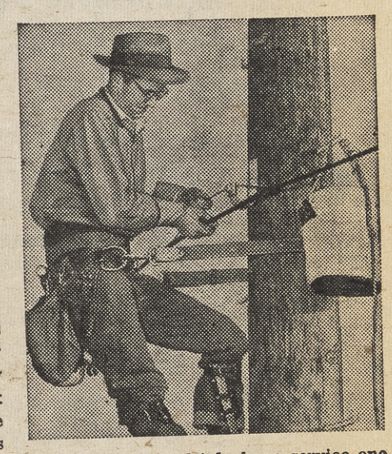
WHAT'S DOING
Charles F. Berlenbach Jr., Mgr.

New type of voiceway goes to work in rural areas



The telephone cable being put up by this lineman is one of the newest things in the telephone business. It looks like nothing so much as an old-fashioned twist of licorice. But actually it's six pairs of wire coated with a special abrasive-resistant plastic. The new cable was especially designed for use in telephone lines in areas where homes are widely scattered. It's extremely light and easy to work with. And its cost in use is less than other kinds of wire. Savings like this help us keep good telephone service one of the best buys in your family budget. **Pacific Telephone works to make your telephone a bigger value every day.**

Need tools in a hurry? Here's the place to find them

Seems like 'most everyone's a "do-it-yourself" fan these days. That makes this tip handy to remember: When you need new tools to start one of these jobs, a good place to look is in the Yellow Pages of your telephone book. Fact is, the Yellow Pages show where you can find 'most anything you want. That's because nearly everyone in town with something to sell advertises in them. So next time you need something fast, just turn to the handy Yellow Pages.

* * * * *

A NEW-COMER LOOKS AT TRUCKEE AND VISA VERSA

Well I have now been your new telephone manager here in Truckee for a few weeks, and I thought perhaps some of your might be interested in the first impressions of a new-comer here in Truckee.

I must admit that, at first, I had some misgivings, having heard of the extreme cold weather as compared with Sacramento. But low and behold, when I arrived, the sun was shining and the weather was warm. The snow-covered hills immediately made me regret that I never learned to ski.

To a stranger, the setting of the town, with the natural surroundings, is very impressive, but the thing that impressed me most of all was the friendliness and sociability of most everyone I came in contact with and believe me that is a big help when you first move to a new town and a new job.

Also I was impressed by the businesses in town . . . they all seem to be well established and have the appearances that they intend to stay that way for some time to come. To me as a Telephone Company manager, that is a wonderful asset.

FLASH! Congratulations to Fred Minchin, central office repair man in Tallac. Fred was promoted to wire chief in Hawthorne, Nevada, after having worked in the Lake Tahoe area since 1950 . . . lots of luck, Fred.

KINGS BEACH

Kindergarten, First Grade: Susan Clackett was out of school for several days with the measles. There is a new puppet in our room given to us by Larry Free. They have named him Popeye. Wednesday morning we were happily surprised to find a beautiful new piano in our room.

Second and Third Grades: Suzie Lucas returned from her trip to southern California. During sharing time, she showed us the souvenirs she brought from the Mission San Juan Capistrano.

Gregory Tompkins has been absent this week. Thursday, he had a tonsillectomy. David Mills and Larry Free brought their foreign coins to share with us. Brad Thompson had a birthday this week. He was nine years old.

Fourth, Fifth, and Sixth Grades: Our ski program had to be cancelled last week due to weather conditions. Kenny Bailey has been absent most of last week due to a severe cold. Mrs. Wagner showed our class a model of the 20 mule team borax wagons and mules. Mr. Wagner had assembled it as a hobby. Mrs. Butterfield talked to our class Friday about the different sounds of W and WH. Rebecca Welles brought in an Indian doll made by the Navajo Indians.

DONNER TRAIL

On Conservation Week we plan to discuss the overall balance of nature, and why conservation of all creatures and of all things not alive is necessary for a good balance in nature.

Our bulletin boards will be covered with many pictures of conservation from early days, or a lack of it, to what can be done about it today. We will stress all week as we have all year that conservation means to conserve all things.

TRUCKEE

Kindergarten: During class discussion we will bring out such points as: Fire prevention, what to do in case of fire, conservation of human resources in relation to good health habits, detrimental effects resulting from lack of conservational practices. We plan to study various aspects of safety at home, in school, and in the community.

First Grade (Mrs. Croxen's): We have begun a unit on conservation. We first learned the meaning of the word and then discussed the many ways it concerns us, such as in conservation of school supplies, food and clothing. We are going to take up the conservation of the natural resources and how children can help also.

First Grade (Mrs. Bissett's): Our first grade plans to correlate conservation of life and property. We will make an illustrated chart designating friends and enemies of the forest.

Second Grade: The second grade will write and illustrate chart stories about conservation after seeing the films and filmstrips.

Third Grade: March 7 to 14 is set aside as National Conservation Week. In keeping with this special week, the third grade has planned a daily program for it.

Fourth Grade: Since we are studying California, we talk about conservation almost every day. As a special project for Conservation Week we shall review what we have learned and show in reports and discussion the different phases of conservation such as water power, lumbering, natural gas and petroleum.

Fifth Grade: We are about to begin a new chapter in our science textbook. The chapter is entitled, "Use—Don't Waste." It is a study of conservation of our natural resources, and it covers such subjects as conservation of forests, soil, wild life, and minerals.

Sixth Grade: During Conservation Week the class may make posters, write a play, build bird feeders, write stories and reports, give talks on conserving everyday things, and messages home on accident prevention.

White buoys in waterways mark anchorages.

LAKE SKI CLUB TO HOLD SESSION

TAHOE CITY—The Squaw Valley-Lake Tahoe Ski Club will hold its regular meeting at Squaw Valley Lodge at 8 p.m. tomorrow (Friday). Preparations for the Sacramento Bee race on Sunday will be made. Teams consisting of two men and two women of any class, including juniors, may race.

The race between the Reno and Tahoe Ski Club was cancelled because of the storm, but another date may be set.

FELLOWS LEADS IN SKI EVENTS

TAHOE CITY, Reno and Tahoe-Truckee High School skiers tangled Saturday in a dual ski meet held at the Granlibakken Hill near here. Tahoe-Truckee won the lone event, the slalom (bad weather canceled out the jumping), in the boys' division; and Reno girls had a decisive edge in their slalom race.

Led by Olympic hopeful Lewis Fellows, who was first in 67.5 seconds, and Kit Schull who was second in 75.5, Tahoe-Truckee scored 336.8 points to Reno's 305.4. Sammy Salmans of Reno was third in 79.9.

Mrs. Wesley Donaldson said that the Squaw Valley-Lake Tahoe Ski Club is getting ready for a dinner to be held in the Tahoe City Community Center building on Friday, March 11. Dinner for which a charge will be made is to be served from 6 until 8 p.m.

BARTELL HEADING TAHOE CITY CLUB FOR COMING YEAR

TAHOE CITY—Vern Bartell was elected president of the Rotary Club of Tahoe City at a meeting held Tuesday night at Tahoe Inn. He will succeed Bill Conners who presided at the session.

Robert Wray was retained as vice president with Warren Porter selected as secretary and C. W. Vernon as treasurer. Rick Giannini and Robert Tonini are the new members of the board of directors. Visitors from the Brockway club were Bill Randall, Jim Sergi and Paul Mullen.

Ernest LePire of the Lake Forest was inducted as a new member. The club Wednesday showed the usual motion picture to the children of the district but decided to discontinue the programs for summer.

HEALTH OFFICIAL WARNS RESTAURANT

AUBURN—The Placer County Health Department has refused to issue a permit for continued operation of the resturant and bar at Squaw Valley Lodge near Lake Tahoe, Placer County, effective yesterday, when formal notice was served on the operators.

Dr. Ruth Moldenhauer, health department director, stated the earlier permit has expired and sanitary regulations have not been observed.

A new permit can be ssued, she said, when conditions have been met.

The action was taken under the terms of a county ordinance which provides for a fine of $25 to $500 per day if the restaurant-bar is operated without a permit.

9968 VEHICLES IN COUNTY REGISTERED

SACRAMENTO (CNS) — The state department of motor vehicles announced that the number of vehicles registered in Nevada County during 1954 totaled 9968.

Of these, 7383 were automobiles, 1870 trucks, and 680 trailers.

Statewide, the total registration reached 6,119,264, including 4,948,516 autos, 675,493 trucks, and 445,572 trailers.

How our 125 "dry holes" last year helped keep you on wheels

If you're anything like the average motorist, you'll use about 690 gallons of gasoline this year. And that's just a beginning. Keeping you on wheels and supplying you with the thousand and one "oil-born" products so vital to modern living requires 2 gallons of petroleum a day for every man, woman and child in the U. S.—an increase of 58% since 1941. Helping to keep this oil flowing to you is Standard Oil Company of California's biggest, most expensive, least predictable job. In fact, we plan to invest $200 million during 1955 alone in exploring for new oil fields and developing existing ones, to help replace the petroleum you'll use.

Some 700 times this year, Standard drillers will start bits spinning. As much as 16,000 feet of pipe may follow the bit before oil is found or the well is abandoned. Either way it's a costly hole: drilling an oil well may run from $125,000 to over $1 million. And every one is a risk—only 1 out of every 9 wells drilled in the U. S. in a promising but unproven area turns out to be an oil producer. Yet new sources of oil must be found to keep our nation's supplies from dwindling. Risking "dry holes" is the only way to find them. So the 125 "dry holes" we drilled last year are good evidence of the job Standard does to help keep you on wheels.

Standard plans ahead to serve you better

CHAMBER AT TAHOE TO ATTEND SHOW

TAHOE CITY—The Lake Tahoe Sierra Chamber of Commerce, during the past week was able to reserve a booth on the second floor of the Civic Center building in San Francisco for the duration of the annual National Boat and Sports Show. The show is to be held there this year from March 4 to the 13.

Chamber directors have decided to use the 16x8 foot painting of Lake Tahoe, with map, as was done last year. The booth will also be stocked with folders and literature on the lake region, to be handed out daily to the visiting public.

It was announced at the last chamber meeting that a luncheon meeting of directors will be held in the Tahoe Inn at mid-day on March 4. Important issues are to come under discussion at this time, and all directors are urged to attend.

Johanson Slated For Fire Commission Job; To Enlarge Department

TAHOE CITY—At a meeting of the board of fire commissioners here last Thursday evening a resolution was passed declaring there will be no election for one commissioner on April 4, since no candidate had filed for the office by the set deadline.

This resolution now asks that the county board of supervisors appoint a commissioner. Deputy Constable Harry Johanson, who has served in this office during the past two terms has consented to be re-appointed as commissioner, and recommendation has been made to the supervisors to appoint him.

Another resolution was made at this meeting to negotiate an agreement between the fire district and the Tahoe City Public Utilities for rental by the fire district of fire hydrants and a stand-by water system service. Clerk of the fire commissioners, C. W. Vernon, said that public utility directors are now asking a yearly rental fee of $75 per hydrant. The expired agreement with the fire district was a flat rate of $600 per year for the entire system of hydrants.

Fire Chief Al Henry proposed at the meeting that the commissioners were agreeable to this proposal, providing three more reliable men can be found and chosen, and drilled in fire fighting. Chief Henry explained that a number of his present crew of 12 men are out of town during the week days. The enrollment of the three additional firemen was left to the judgment of the fire chief.

HEAVIEST STORM OF SEASON HITS LAKE

TAHOE CITY—According to records of Arthur Frodenberg, weather observer here, the heaviest snow storm for the 1954-55 season fell on the past weekend and brought 44 inches of new snow with a water content of 2.53 inches.

The skies cleared on Monday morning, with total snow depth on the level measuring 46 inches. Frodenberg said the coldest temperature for some time was registered on Sunday night when the thermometer dropped to zero, and the warmest was last Thursday when it registered 42 above. Five water gates are kept open at the dam for the present.

Frodenberg offered some interesting data on the weather from 1953 to the present time, to show that this season sums up practically normal for a three-year period. He said that recorded measurements are as follows: For month of October, 1953—one inch of snow; October 1954—no snow; November 1953—9½ inches. Same month 1954—no snow; December 1953— 21 inches; December 1954—23 inches; January 1954—43½ inches; January 1955—33 inches. For February 1955 the snow fall for the month was the same as of February 1954—a total of 46 inches.

Bank Advertising Gets Art Award At Meeting

Advertisements of Bank of America, according to Henry L. Buccello, advertising manager for the bank, have won three out of four art awards presented to San Francisco advertising agencies at the 10th annual West Coast Exhibition of Advertising Art, opened in Los Angeles February 22.

Prepared by Stan Galli of the Charles R. Stuart Advertising Agency, a color painting of the Angels Camp jumping frog contest was awarded the Dillon Lauritzen award for the best single piece in the show.

Mr. and Mrs. M. H. Dodd, well known realtors of Kings Beach, celebrated their 42nd wedding anniversary on February 12. The Dodds have made their home on the lake for about 35 years, and have a host of friends in this region.

PROPERTY OWNERS ATTENTION

The law requires property owners to file property returns between noon of the first Monday in March and the last Monday in May.

These returns are to be filed at the Assessor's Office at the Hourt House in Nevada City.

Veterans exemptions and church exemptions are to be filed during the same period.

Application for welfare exemption must be presented before April 1, 1955.

Assessors will be in the eastern end of the county during May, prior to the closing of the filing period to handle assessment questions and assist veterans in filing exemption claims. Exact dates to be announced later.

Alberta Cooper To Wed Al Schell; Shower Is Given By Local Friends

Miss Alberta Cooper, betrothed to Al Shell was complimented at a miscelleanous shower given by Mesdames Williams Waters, Nelson Stone, William Spratt in the Wyethia Club edifice last Friday evening.

The bride-elect opened many useful and lovely gifts for their future home before games were played and refreshments served.

White predominated in the party appointments with an attractive floral arrangement of white stock and iris centering the table. Local and out-of-town guests invited included Mesdames George Waters, Elden Tonini, Orlin Waters, Kenneth Foster, A. Pace, John Rablin, Oscar Schumacher, Carl Painter, Esther Young, Roy Waters, Frank Franceschini, Nat Quilici, Clarence Osburn, John Waller, Muriel Frey, Collette O'Rourke, Tom Jordon, Glenn Coffey, James Souter, Bob Hackett, Terry Tollefson, Paul Rausch, J. Vaughn, Rex Tollefson, Annie Tonini, Columbia Tong, Charles Smith, James Thomas, Jack Lambres, Maude Gaffield, William Gautsche and Misses Ginger Reynolds, Ella Waters, Evelyn Stinchfield, Lynette Young, Mary Ann Tonini, Irene Young, Mary Ann Rausch, Delores Danley, Nelda Stone, Thelma Finger, Sharon Pace, Marie Osburn.

The young couple plan to be married in the near future, the date not yet revealed. Following the ceremony they will establish a home on Donner Summit.

Miss Cooper is the daughter of Mrs. Orlin Waters and has been popular in the younger set, having graduated from the Tahoe-Truckee High School last year.

Shell is the son of Mr. and Mrs. A. Shell of Woodland and is at present employed at the Sugar Bowl.

Your Chamber Of Commerce

From the President's Desk

Spring is just around the corner, a time of year when most housewives start thinking of spring cleaning, and youths' fancy turns to thoughts of love and spring vacation. With the advent of spring and summer there always seems to be a large number of itinerant salesmen canvassing the area. A word of warning and advise: When such a person calls on you ask to see his or her credentials and then if you aren't quite sure call your Chamber for verification. That one minute to call may save you dollars.

* * *

I have had a problem presented to me which I think deserves a little thought on the part of everyone. Do you own a pet, such as a dog or cat, which you consider part of your household?

The number of unattended animals in this area is increasing, especially along Donner Lake. Here is a problem we should attempt to solve. For some animals even though tame go wild for want of food and could be dangerous. I would welcome any ideas any one may have for a remedy to this situation.

* * *

A sore spot with many of us is the very poor and inadequate weather reports and forecasts our area receives in the metropolitan areas. When ever Highway 40 is closed because of a storm such as the one just past it seems to staved closed for several days after it is open and the pavement is high and dry, at least according to all the major news broadcasts and the newspapers. A large number of us depend on the highway for our livelihood, and such reporting doesn't help the traffic or our businesses.

* * *

The snow removal on our streets is being handled with speed and thoroughness by the fellows at our State Maintenance Station.

* * *

A worthwhile cause, and an evening you won't want to miss, is the Firemen's Benefit being held Saturday, March 12 at the high school. I saw the dinner menu, and it sounds like wonderfully good eating. All of our Volunteer Firemen have tickets, so get yours today. I understand all the money taken in that evening goes for a needed addition to our firehouse. Have you seen our new fire engine? It sure is red.

* * *

Your City Basketball League is winding up its first season of play this coming Monday night. Plan on being there to see the top teams play.

* * *

Before I say night for now to everyone, don't forget that Saturday night is Fun Night for all at the Legion Hall, Snow Carnival sponsored by your Chamber and the Bay Area Ski Federation.

* * *

Oh, yes, and last but not least, I expect to attend the State Chamber meeting this Friday in Sacramento (if it doesn't snow that is) and expect to have an interesting report for you at our next regular meeting to be held Tuesday, March 15 at 7:30 p.m. in the high school cafeteria.

—Hal Welch

Elected While on Tour—
Robert Schiffner, on a tour of the Carribbean, was elected as chairman of the Nevada Bar Association at a meeting held in Nevada City Friday.

Osts Come North—
Mr. and Mrs. William Ost left Huntington Park on Saturday heading for their Donner Lake property to ready it for the coming season and to get away from the smog and fog of southern California.

Coroner in Hospital—
Alvah Hooper, Nevada County coroner, was taken to the Tahoe Forest Hospital Monday morning following a mild heart attack which occured while he was shoveling snow from in front of his Laundromat at Gateway Park.

Purchase Contemplated—
Mr. and Mrs. Robert Roth are negotiating for the purchase of the M. H. Robinette house this week, prior to a possible transfer of Robinette to Sacrament or Roseville by the Southern Pacific Company.

Working in Valley—
Sam Goss has written from Livermore that they are having normal weather of rain, fog, wind and frost but in spite of that fruit trees are blooming. Mrs. Goss, who was recently ill, is well, once more. Goss is employed on the building of a large school.

Pounds Wed 50 Years—
Mr. and Mrs. H. D. Pounds of Colfax celebrated their golden wedding on March 1 at an open house. The family is well known here where Pounds frequently visited when on the State Board of Equalization business.

Playland at the beach in San Francisco, is a minature Coney Island.

PROSPECTS BRIGHT FOR EARLY ACTION ON FOUR LANING

Senator Thomas H. Kuchel of California brightened the prospects for congress action on legislation making possible reconstruction of the eastern half of Route 40 between Roseville and the Nevada line last week.

During hearings on bills to authorize a greatly expanded long-term highway construction program, the California solon persuaded the roads sub-committee of which he is a member to have the public works committee staff review the action of the California Legislature authorizing a $20,000,000 appropriation of state funds for widening and straightening the strategic trans-mountain link providing an equal sum is put up by the federal government.

The action may pave the way for writing into the proposed new comprehensive national highway act provisions that will specifically entitle California to obtain federal funds for the Route 40 job. Kuchel explained after his motion was unanimously adopted by the subcommittee he will try to have whatever bill is finally written by the public works group phrased so that the plans for a four-lane all-year highway over the Sierras to Reno can go forward speedily.

Separate Bill
A separate bill authorizing federal participation in the Route 40 project, introduced by Kuchel in company with Senators William F. Knowland of California and George Malone and Alan Bible of Nevada, is pending before the public works committee. Last year a similar measure was shelved when federal officials balked at singling out an individual project while the whole question of national highway demands was being studied by President Eisenhower's advisory commission and the council of state

Monday Meet—
George Bettencourt was program chairman at the Monday evening meeting of the Truckee Rotary Club, with John Richards as acting president.

Family Here—
Mr. and Mrs. Philip Heath who visited her parents, Mr. and Mrs. Jesse Lung, during the weekend, were unableto return to their home in Sacramento until Monday, due to the road conditions during the storm.

Moros Visit—
Mr. and Mrs. John Moro visited relatives while making a business trip here from Sacramento last weekend.

Attend Meeting—
R. N. Little and James McIver were in Nevada City Wednesday attending a meeting of the county grand jury.

Official Visitor Greeted At Eastern Star Meet

The Order of the Eastern Star, Chapter No. 116, had an official visit from the deputy grand matron, Beatrice Edwards, at the meeting held Tuesday evening.

Hilda Hintz, worthy matron, and associate patron, C. E. Mandeville, presided.

Tom Edwards of Alta, accompanied his wife with Mr. and Mrs. George Hagar of Dutch Flat, worthy patron and worthy matron of the Placer chapter, also among the 12 visitors from out of town.

Edythe Deaton was chairman of the refreshment committee.

Mr. and Mrs. J. D. Anderson of Tahoe Vista, worthy patron and secretary of the local chapter are continuing their sojourn in Mexico.

Make sure your youngster's feet are well protected; buy famous Red Goose "Built For Action" Shoes.
